

## Uniform Sizing

Upward provides a high quality double-sided uniform (home and away). With no in-person evaluations this year, you will not be able to try on uniforms for size; instead, you will be asked for a uniform size at registration.

- ◆ If you are on the fence about sizes, select the **larger** size.
- ◆ We recommend sizing "up" to allow room for something warm underneath when the weather gets cold.
- ◆ YXL and Adult S are the same size
